NEW YEAR. NEW RESOLUTIONS. NEW BEGINNINGS. *It's time for everyone to stop settling for store bought bread. We know where our wheat comes from. We know we don't use preservatives or dough conditioners. **WE KNOW WE USE PURE, SIMPLE, AND LOCAL INGREDIENTS** whenever possible, so why settle for stuff that is called bread, but has an ingredient list that reads more like a science project? With January being both National Wheat Flour and National Diet Month, **RESOLVE TO LEAD A HEALTHIER LIFESTYLE** that starts with healthy food. And that includes true, whole grain bread. We make bread that won't make you fat and won't make you sick because **We Make Bread the Way it Ought To Be!***

CELEBRATING OUR 15TH & 4 YEAR ANNIVERSARY

SATURDAY JAN 27 2018

*We're 15 & 4 years old. We've been selling the best bread in Georgia for 15 years in our Johns Creek location and for 4 years in our Alpharetta bakery. Thank you for supporting us and helping us thrive selling from scratch, whole grain bread. We couldn't have done it without the loyalty of all our Great Harvest customers and friends. We are having a birthday celebration on **SATURDAY JANUARY 27, 2018, IN JOHNS CREEK AND ALPHARETTA.** We'll be cookin' up some **GREAT HARVEST PANCAKES** for **THE LEUKEMIA SOCIETY**. Come in and have some hot, homemade and, of course, whole-grain pancakes for just a minimum donation of **\$3** a stack or whatever additional you'd like to give. All proceeds from the breakfast donated to*

THE LEUKEMIA SOCIETY.
