TIME OF TOUR: _____ **IN STORE ONLY CONFIRMATION CALL** _____

To help us conduct a successful and enjoyable tour for everyone, all participants must observe the following safety rules. The contact person should share these rules with any participating parents and chaperones prior to the tour.

- Tours are limited to groups of (Minimum of **10 children**) 15 children, ages 4 & up. For the production segment of the tour, the large group will be divided into smaller groups of 12-13 children. No child younger than 4 will be permitted in the production area.
- Parents and chaperones must supervise children at all times while in the bakery; Great Harvest assumes no responsibility for supervision. A limited number of parents and chaperones will be permitted in the production area during the tour to supervise the children and ensure that they follow the safety rules as explained by the Great Harvest Tour Guide.
- Participants must stay with the Great Harvest Tour Guide at all times while in the production area. It is very important that participants not walk unescorted in the production area at any time.
- This is both a fun and educational experience. We look forward to any creative ideas of feedback you might have.
- Please note that any cancellations without 24 hour notice will be subject to a fee.

Please contact us 48 hours before to tour to confirm the exact number of children!

We look forward to seeing you!
