\_\_\_ Tuesday (date) \_\_\_\_\_ at 10am  
\_\_\_ Wednesday (date) \_\_\_\_\_ at 10:30am  
\_\_\_ Thursday (date) \_\_\_\_\_ at 10am

To help us conduct a successful and enjoyable tour for everyone, all participants must observe the following safety rules. The contact person is responsible for sharing these rules with all participants, parents, and chaperones prior to the tour.

- Tours are limited to groups of 12 children (8 minimum), ages 4 and up, from a registered school facility. No child under the age of 4 is permitted in the production area.  
*Please call us 2 days before your tour date to confirm the exact number of participants in your tour.*
- Masks required at all times. Hand sanitizer available.
- Parents and chaperones must supervise children at all times while in the bakery. Great Harvest assumes no responsibility for supervision. A limited number of parents and chaperones will be permitted in the production area during the tour to ensure that all safety rules are followed.
- Participants must stay with the Great Harvest Tour Guide at all times while in the production area. It is very important that participants not leave the group to wander the production area alone.
- Each tour participant will receive a sample of our yummy honey whole wheat bread and a goody bag at the end of the tour. *Please give us advanced notice of any participant with a gluten intolerance or any other food allergy, so we can take necessary precautions.*
- This is both a fun and educational experience. Please provide any creative and constructive feedback for improving the tour experience by sending an email to: Carolyn at [greatharvestATL@gmail.com](mailto:greatharvestATL@gmail.com)
